TERMINAL DISCLAIMER

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313

Dear Sir:

1. The owner, U.S. Farathane, of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory terms of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173 as shortened by any terminal disclaimer filed prior to the grant of any patent which issues from the present application which extends beyond the expiration date of any patent granted for U.S. Patent Application Serial. No. 10/418,784 filed on April 18, 2003. The owner hereby agrees that any patent so granted on this instant application shall be enforceable only for and during such period that it and any patent granted on the second application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

2. In making the above disclaimer, L&L Products, Inc., through its attorney, does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of any patent granted for U.S. Patent Application Serial No. 10/418,784 in the event that it: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321(b), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term, except for the separation of legal title above.
